

logo design

flat rate determined per project

Custom designed logos. Pricing includes concepts, 3 rounds of revisions & final files provided as vector-based AI (CS5) files, PDF, PSD, JPG, PNG.

print design

\$50 per hour

Collateral pieces (business cards, letterhead, etc), print advertising, banners, signage, you name it. Order pieces either individually or as a package.

packaging design

\$50 per hour

Product packaging, CD/DVD and product label design.

book layout

Per-page rate depending upon scope of project

Layout and design. 50 page minimum.

illustration

Flat-rate depending upon scope of project

Freehand or digital illustrations, icons and character design.

restoration & retouching

Price based on project complexity

Old cracked, faded, water-stained photos restored to life. Color correction and Photoshop magic made to order.

other projects

I am happy to consider many types of projects not reflected on this price list. If your project is not represented, please ask!

Pricing subject to change. Updated March, 2012
